| 1. Does all programs/courses were completed on time.  | Yes  |  |   |
| 2. Measures taken to complete the syllabus of courses and programs.                             | <p>All the educational institutions were closed in India and other countries because of the COVID-19 pandemic during the few months of the session 2021-22. As per the university order institutions were instructed to conduct online classes. During this pandemic, initiatives were taken by our institute to conduct the online classes so that syllabus of the entire students could be covered. By online classes, we mean conducting teaching and learning sessions with the help of ICT. We have a lot of open-source solutions like Google Meet, Google Classroom, Zoom, YouTube and WhatsApp. As part of this, the teachers conducted online classes as per time table made by the departments under the guidance by the Head of department/Director. Teachers informed the students through WhatsApp about the time and topic of the online classes. Teachers also sent their video on YouTube and also shared the study material on the institute website, google classroom and whatsapps group. Teachers also sent the assignment, quiz and class test on google class room and whatsapps group. Students sent their answers on google class room and whatsapps group. The whole process maintained by the teachers to conduct on line classes smoothly is given below: • The Head of each of the department collect contact numbers of all the students and teachers to create a WhatsApp group for every year through which online classes were conducted. The Head of department and faculty coordinator monitored the each group. • The link of the online classes was provided in these groups before commencement of the classes. • All the necessary equipment and services, like internet, laptop, camera, smart phone etc. were checked before the session. •No class without any strong reason were postponed or canceled. Moreover, the end examination, internal evaluation and many international / national / state level webinars were conducted by many departments during these periods.</p> |  |   |
