NATIONAL START UP DAY

On **16-01-2025** i.e., Wednesday our department organized an event in order to give an insight of life to the students so as to bring the best out of them. It is assumed that by providing them a session like this will build their character and motivate them to achieve each of the milestones thriving the ultimate goal.

The session begins at 02:00 PM and ended at 04:30 PM. The session was very informative and innovative; all students participated in the event and performed really well and secured positions.

Objective of Session:

- to set up green field projects
- aims to boost innovative and technology
- to mark the spirit of entrepreneurship
- to create an overall understanding of projects
- to allow students and aspirants to think out of the box and draw a plan

List of Events:

- PPT Presentation
- Fact Throw
- Speech
- Innovations in the world
- The Best Start up

Facilitator of the Event:

Abhishek Kumar Saxena
